The Pantry has successfully provided food to people in need throughout Cape Cod for over 30 years. In 2019, we provided food and clothing to 10,490 individuals, which included approximately 3,100 children.

The Family Pantry of Cape Cod serves a leadership role in hunger by its partnership with the Greater Boston Food Bank. On nine days each month, the Food Bank brings tractor trailer loads of food to our Harwich warehouse where it is distributed to 30 Cape pantries. This saves all agencies the time and expense of travel to Boston and is another way we fulfill our mission of providing food and clothing to those in need.

Second Glance Thrift Boutique is a major revenue stream for the Pantry. Our expanded location, with 5,400 square feet of space, allowed us to increase our home goods and clothing lines, and we have been able to add furniture. All proceeds from the boutique support the Pantry and its clients.

Please use this letter as documentation of your donation on your federal income tax return. The Family Pantry of Cape Cod is a 501(c)(3) nonprofit organization and acknowledges that your donation was a gift and that you did not receive any goods or services in return.

If you would like to receive our newsletter electronically, please email us at admin@thefamilypantry.com. And once again, thank you for choosing to support The Family Pantry of Cape Cod in such a generous manner.

Mr. Joseph A. Brouillard
Manager
Mid Cape Bridge Club
72 Brookhill Lane
West Yarmouth, MA 02673

Dear Mr. Brouillard,

Thank you for selecting the Yarmouth Food Pantry as the charity to benefit from the compensation you receive for directing and running the virtual bridge club. Your generous contribution of \$500.00 is valued now more than ever during this current period of uncertainty and ever-increasing need.

The Yarmouth Food Pantry, an official partner of the Greater Boston Food Bank, was formed in August of 2010 to help meet the growing needs of those struggling to make ends meet. We started serving just 6 families. As of July 2020, we have 3,887 households registered, consisting of 8,309 individuals. The Pantry is staffed completely by volunteers who, like you, feel the necessity to help our neighbors in their time of need by offering a local outlet for free nutritious food.

Your support means so much. On behalf of our many grateful clients, we thank you.

Sincerely,

Kathleen McClellan
Secretary
